

Senior Financial Management Consultant (m/f/x)

CLAUSMARK is a medium-sized, independent and internationally operating company based in Karlsruhe, Germany. For more than 15 years we have been providing our customers - large international corporations and well-known medium-sized companies - with consulting services and individual, company-wide solutions based on our software product Bee4IT. The focus is on lean and demand-oriented implementations.

Tasks

- In cooperation with our Product Owner, you will be responsible for the development and refinement of our Financial Management
- You and your team are responsible for mapping business logic in the Financial Management area in the customer systems
- You autonomously advise and support both external and internal customers
- You join us in the advancement of our successful medium-sized company

Why Clausmark?

- Pioneer in Information and Technology Management
- Exciting and challenging projects
- Flat hierarchies and family-like working atmosphere
- Attractive social and extra benefits
- Well-growing company with excellent development opportunities

Profile

- You have successfully completed a degree in Business Information Systems/Business Administration, or a similar discipline
- You have at least 3 years of experience in Financial Management/Controlling
- You have a high motivation to travel within the DACH region
- You have very good knowledge of German and good knowledge of English (spoken and written)
- You have excellent communication & team skills and want to provide independent longterm consulting for large companies
